GARDENIA STEM CELLS FACIAL FILLER

Contains a highly efficient French ingredient - gardenia stem-cell extract that regenerates the sagging facial skin. It stimulates collagen synthesis and slows down the aging process. With soothing and tone-up effect. Improves skin elasticity and helps restore its firmness and healthy appearance. The filler can be used separately or in combination with the products of GARDENIA AND ROSE Series - day face cream, night face cream and facial serum. For optimal result it is recommended to apply the filler before applying the cream.
Use: Apply 2-3 drops onto clean and dry facial skin in the morning and before bedtime, avoiding eye area.
