

# Provence Lavender

Lavender has accompanied humans since ancient times, fascinating them with its fragrant and beautiful violet-blue flowers. It is used both as an oil and as dried aromatic stalks. In addition to its wonderful relaxing scent, lavender essential oil has antiseptic and regenerative properties. Yogurt concentrate has a superb effect on the dry and problem-prone skin, moisturizing it and leaving it soft and smooth thanks to its content rich in proteins, lipids, minerals, and vitamins. The skin feels smooth and supple, intensely moisturized and satin-soft again. The combination of pure lavender oil and yogurt concentrate in Provence Lavender cosmetic series of REFAN soothes, moisturizes and regenerates skin, and its relaxing scent will take you to the lavender fields of Provence and will captivate and pamper your senses.
