For Women

The FEMININE perfumes are classified in the following main groups:

- CITRUS – this group comprises perfumes with light, fresh, citrus and floral aromas;
- FLORAL – this is most widely-spread group of perfumes in the world of feminine perfumery. It comprises perfumes with basic floral notes, which are divided in several sub-groups according to the nuances of their aroma, i.e. fruity, aquatic, green, etc.
- The ORIENTAL group of perfumes comprises different aromas from the East – exotic spices, vanilla, balsamic from Arabia and India;
- WOODY OR CHIPRE –this group comprises fragrances with citrus, oak moss and patchouli aromas;
