HAND CLEANSING PRODUCTS

DEEP CLEANSING HAND GEL WITHOUT RINSING

Contains no perfume composition, which reduces the risk of allergies.
Contains:

- 65% alcohol - which has an antimicrobial action, effective against pathogens

To prevent them from drying and cracking your hands, the cleansing gel also contains:

D panthenol / Provitamin B5 / - hydrates and regenerates
glycerin - restores skin elasticity and strengthens its protective barrier

Use: Apply a few drops of deep cleansing gel to your wrists and palms, brush them thoroughly and allow them to dry without needing to rinse.

The result - clean hands for your peace of mind!
200 ml
