

FRUIT COLLECTION

The new REFAN collection tempts with gentle and sweet fruity scents that soothe the senses, create harmony and fill the life with joy. It includes shampoo-shower gel and body cream with six captivating scents of forest and exotic fruits: Honey Banana, Juicy Strawberry, Tropical Mango, Forest Raspberry, Fresh Tangerine, Exotic Pomegranate.

The shampoo-shower gels of the fruity collection moisturize skin and hair and turn showering into a pleasurable experience. They contain following active ingredients:

- Glycerin - an excellent moisturizer. Provides deep hydration to skin and hair and has softening effect. It has moisture-retaining properties and creates an invisible protection against the adverse environmental effects. It makes the skin smoother and soft, and the hair regains its elasticity.
 - Olive oil - strengthens and improves hair texture. Makes skin and hair feel soft and moisturized.
- Their irresistible scents conquer the senses and imagination and create moments of pleasure and joy. Suitable for children over the age of 3.

The body creams have light texture that is quickly absorbed into skin without leaving a greasy residue. They create a feeling of freshness and silky softness all day long. They contain the following ingredients:

- Organic argan oil - has a rich fatty acid composition, which helps keep the skin healthy, fighting successfully against dehydration and loss of skin elasticity. Argan oil is rich in sterols - an essential element of the outermost layer of human skin.
 - Vitamin E - has protective and antioxidant effects. Improves the epithelialization and increases enzyme activity in the skin. Slows down premature skin aging caused by UV radiation.
 - Tocopherol - has powerful antioxidant properties and protects skin against the adverse environmental effects.
- Thanks to these active ingredients the body creams provide long-lasting hydration and soften the skin.

The fruity scents are well accepted by the modern consumer because of the note of freshness and exotic they bring into the grey daily life. The new REFAN collection is a real pleasure for your skin - aromatic therapy with refreshing effects.
