

Men perfection

EYE CREAM

A balanced formulation for the area around the eyes. The combination of LANACITYNTM PF and rose water forms a protective barrier that provides full protection against the environmental pollution and improves the brilliance and tonus of the skin. Olive squalane and Vitamin E nourish skin and help restore skin's elasticity around the eyes.

Use: Apply onto the cleansed skin of the eye contour area as a base before the daytime or nighttime facial fluid. It can also be used separately.

50 ml
