

YOUTHFUL PERFECTION

FACE AND EYE CREAM

The energizing youthful perfection face and eye cream has been developed with the active ingredient EARLY BOOST PA, which is a natural source of taurine. Reduces the signs of fatigue and the dark circles under the eyes. Refreshes, moisturizes and revitalizes skin.

Use: Apply the cream in the morning with gentle tapping movements to the cleansed and dry skin of the face and around the eyes area. Avoid contact with mucous membrane of eyes!
