

Herbal soaps - STEP TO NATURE - AROMATHERAPY

GREEN LEAVES

97% natural

Enriched with lemon essential oil, green tea extract and mint leaves

Bring a whiff of nature's scents into your bathroom! Soap with exciting scent of green leaves. Contains green tea extract and lemon essential oil that are used in cosmetic products as active ingredients with antioxidant, antiseptic and refreshing properties. Mint leaves complement the typical rich scent and leave pleasant feeling on the skin.
