

WATER LILY SERIES

HOME PERFUME

Irresistible scent with aquatic, floral and green notes. Exceptional freshness, enchantment and verdure. Pleasant perfume presence, providing pleasure and improving the mood.

Directions for use:

remove the cap from the bottom of the decorative cone. Put the liquid vial inside and open it. Place the decorative cone by lightly pressing its bottom. Immerse the fine rattan sticks. Incredible fragrance will gradually fill up your living spaces. The intensity depends on the number of the immersed sticks. To refresh the fragrance it is recommended to periodically remove the sticks and re-immense them in the liquid on the opposite side.
