

# Herbal soaps - STEP TO NATURE - AROMATHERAPY

Healthy skin is the best accessory. Skin care requires prudent use of the modern cleansing products. Created centuries ago, soap has been repeatedly perfected towards one purpose - it cleanses skin without damaging it because its composition is closest to human skin.

That is why REFAN soaps are not just ordinary soaps. Preserving the centuries-old tradition, they pamper your skin, cleansing it delicately and gently, and their ingredients make skin soft and scented with health and cleanliness. The fascinating soap scent and appearance will immediately grab your attention and will bring a touch of freshness and positive emotions to your everyday life.

# **Products**

#### **OLIVE ROSEMARY**

05038

#### 97% natural

Enriched with olive oil, rosemary essential oil and rosemary herb

Soap's abundant and fluffy foam cleanses skin and provides gentle peeling thanks to the rosemary leaves.

Olive oil has strong antioxidant and nourishing properties. It makes skin soft and protects it from drying out.

Rosemary oil has antiseptic and general stimulating properties. It has proven to be very stimulating for the brain and body in a state of extreme fatigue.

The combination of the classic rosemary herb with one of the commonly used botanical oils - olive oil, makes this herbal soap perfect for you to start your day with energy.

Abundant foam, small pieces of lavender blossoms and exciting scent. A delicate, refreshing and calming soap with lavender essential oil. It is one

of the most popular and most commonly used oils with numerous properties, suitable for basic care for all skin types. Strong lavender scent and abundant, fluffy foam for healthy and clean skin. 120 g

#### **ROSE**

05034

#### 97% natural

Enriched with organic argan oil, organic geranium oil and rose petals

Give your body softness and nourishing care thanks to the organic argan oil known for its moisturizing, regenerating and antioxidant properties. The soap makes creamy cleansing foam as a result of the triple milled soap-making technique, and skin is left with a fresh floral scent of rose and geranium. The natural rose petals complement the pleasant feeling on the skin.

120 g

#### **PEPPERMINT**

05036

#### 97% natural

Enriched with mint essential oil, menthol and mint leaves.

Real mint explosion in the bathroom.

Mint - this refreshing, revitalizing and aromatic herb has been known for centuries. The essential oil is extremely refreshing and cooling, with anti-inflammatory and disinfectant properties. In combination with menthol it acts as a strong stimulant and refresher. Mint leaves complement the typical rich scent and leave pleasant feeling on the skin.

Ideal soap for those looking for a natural way to look and feel good.
