

REFAN GOLD COLLECTION

Everyone in the daily life uses various cosmetic products. But they are perfumed in different smell directions. Overlayed them on the body, the scent of perfume that we use is modified and it reduces the pleasure of usage.

The new line REFAN GOLD COLLECTION has been developed after analysis of consumers behavior which indicates that most of them use various cosmetic products, but they prefer to have them with a unifying scent. This allows the scent of your favorite perfume become richer, intensive and unchanged.

But in order to obtain this effect, without causing adverse reactions of the skin, REFAN selected for its products special fragrances that are more tolerant to the skin.
