

PURE ROSE PERFECTION

ELIXIR FACE AND EYE

This face and eye elixir was developed with the first of its kind active ingredient for lifting effect. Beautyfeye works on the drooping skin of upper eyelids, gets rid of puffy eyes and dark circles around the eyes, and smoothes fine lines by reducing their number and depth. You will enjoy again your smooth and younger looking skin of the face and round the eyes area.

How to use: apply a pea-sized amount of the elixir in the morning and in the evening on the cleansed facial skin and around the eyes. Massage through by patting until it is fully absorbed. Avoid direct contact with eyes!
