

SUN CARE PERFECTION

FACE CREAM SPF 50 UVA/ UVB

HYDRATING AND SOOTHING ENHANCER – rose-scented

Face cream, suitable for all skin types. Provides high protection against UVA and UVB radiation and restores the balance even if the skin is irritated and sensitive. The light texture moisturizes and soothes skin and protects it against photoageing without leaving any greasy residue. Contains high molecular weight hyaluronic acid that provides optimal hydration and promotes the proper functioning of all structures in the skin.

Use: Apply approximately 3-5 ml of the sunscreen before sun exposure with light, tapping, massage movements to the entire face, avoiding the eye area. In case of contact with eyes, rinse immediately with plenty of water. Reapply after swimming, sweating or toweling. Avoid sun exposure during peak hours. Not recommended for children!
