

A Rose from Bulgaria

“A Rose from Bulgaria” cosmetic series is enriched with natural rosewater that is obtained through distillation of the petals of Bulgarian oleaginous rose.

Suitable for all skin types.

Rose water supports pH balance of the skin, stimulates regeneration processes, has soothing effect on acne and sunburned skin, moisturizes dry skin and makes it smooth and elastic.

It is widely used as an anti-inflammatory ingredient in skin care products destined to suit different skin types, especially aging, dry and sensitive skin.

In its pure form it can be used as facial toner both for dry and oily, but especially for sensitive skin.
