

REFAN INTENSE eau de PARFUM REFAN INTENSE UNISEX

UNISEX AROMAS:

These are long-lasting and intense perfumes with a rich scent and composition, a variety of expensive and natural fragrances, valuable raw materials from all over the world, expressing the power and majesty of nature.

They create a special atmosphere, mystical closeness and pulsating energy with contrasting perfume chords - fruity freshness and smoky notes, fire and ice, the smell of passion and exoticism, spicy spices, erotic skin.

003 - Magnetic scent of cherry blossoms, Turkish rose and jasmine sambac. Parallel presence of stone fruit, almond, balsamic density, hinted spicy notes, warm vanilla sweetness and soft woody notes.

016 - A lush top of aromas of intoxicating bitter peach and juicy blood orange, a sensual heart of davana soaked in rum, a wave of patchouli and sandalwood.

025 - A warm, magnetic fragrance with an oriental character and a floral background. The perfume composition is revealed with a slightly spicy, rich combination of saffron and jasmine, followed by sensual amber. Notes of cedar and fir resin add depth at the very end of this aromatic temptation.

031 - A sophisticated start of bergamot, blackcurrant and enchanting ylang-ylang, harmoniously combined with the floral notes of velvet orchid, lotus and hinted spicy chords.

060 - A lush mix of sweet fruits, followed by a gentle and dense lily of the valley, a sensual base of musk, patchouli and vanilla.

065 - A seductive combination of aromatic tobacco, highlighted by woody notes, tonka and cocoa, wrapped in sweet vanilla.

066 - An elegant and modern combination of delicate citruses and fruits, on a sensual base of amber, musk and dry woody notes. A fruity-floral elixir that leaves a soft, velvety feeling.

098 - Powerful, seductive aroma, rich woody and balsamic notes, tobacco, smoky and spicy notes, agarwood, incense and sandalwood. Eccentric, long-lasting, intoxicating.

099 - Designed for lovers of rare perfumes, a fragrance created in homage to Arabian horses, bold, spicy and fiery. A fine combination of spices, enchanting roses, tonka beans and bergamot reveal animal temperament and complement of agarwood, amber and musk.

318 - Romantic, sensual, warm and sweet aroma of roses, vanilla and musk.

322 - Unexpected, sultry and addictive. Seductive cardamom, warm amber, refreshing ylang-ylang, sea coconut, united in the pursuit of sun and luxury.

323 - An aromatic start of freshly brewed coffee combined with fresh rose, vanilla white musk, notes of cream and sugar.
