

MOISTURIZING

Facial filler

Effectively improves the overall skin condition. A formula with a high content of snail extract, aloe vera gel concentrate and natural rose water -stimulates cellular functions, enhances protein synthesis, regenerates the skin and slows down aging.

- Snail extract - one of the most effective means for skin regeneration, which thanks to its valuable components enhances protein synthesis, hydrates and slows down aging. Its main property is to activate skin by stimulating the cellular functions, and thus restoring and healing it. It contains many valuable for the skin components: allantoin, collagen, elastin, glycolic acid, hyaluronic acid, proteins, etc.
- Aloe Vera gel concentrate - contains over 150 ingredients that determine its incredible properties. These are over 12 vitamins - A, E, B1, B2, B3, B12, etc., minerals - potassium, calcium, magnesium, selenium, copper, chromium, zinc, phosphorus, etc., tannins and over 18 amino acids. It manifests strong regenerating properties in case of skin inflammations, and is also known for its long-lasting skin hydration.

Use: Apply 2-3 drops of filler onto clean and dry facial skin in the morning and before bedtime, avoiding eye area.
