# Herbal soaps - STEP TO NATURE - AROMATHERAPY

## PEPPERMINT

05036

**97% natural**

Enriched with mint essential oil, menthol and mint leaves.

Real mint explosion in the bathroom.

Mint - this refreshing, revitalizing and aromatic herb has been known for centuries. The essential oil is extremely refreshing and cooling, with anti-inflammatory and disinfectant properties. In combination with menthol it acts as a strong stimulant and refresher. Mint leaves complement the typical rich scent and leave pleasant feeling on the skin.

Ideal soap for those looking for a natural way to look and feel good.
