

MOISTURIZING

Facial serum

A gel-like consistency with a high content of active ingredients and magnetic scent of a delicate rose, suitable for all skin types. Contains Snail extract that stimulates cellular functions and supports skin regeneration, and Aloe Vera gel concentrate, to restore comfort and hydrate dermis.

- Snail extract - one of the most effective means for skin regeneration, which thanks to its valuable components enhances protein synthesis, hydrates and slows down aging. Its main property is to activate skin by stimulating the cellular functions, and thus restoring and healing it. It contains many valuable for the skin components: allantoin, collagen, elastin, glycolic acid, hyaluronic acid, proteins, etc.
- Aloe Vera gel concentrate - contains over 150 ingredients that determine its incredible properties. These are over 12 vitamins - A, E, B1, B2, B3, B12, etc., minerals - potassium, calcium, magnesium, selenium, copper, chromium, zinc, phosphorus, etc., tannins and over 18 amino acids. It manifests strong regenerating properties in case of skin inflammations, and is also known for its long-lasting skin hydration.

Use: Apply with gentle patting movements, as a base before the day or night cream, on cleansed and dry face skin.
