

Queen Rose

Night essence

It combines the anti-inflammatory properties of the rose essential oil and rose concrete with its valuable biologically active substances that have a perfect effect on skin night treatment and maintenance. Vitamins A and E regenerate damaged areas and normalize skin's functions. The extracts of licorice, marshmallow and yarrow milfoil relieve skin and exercise their moisturizing and healing effects. The almond and grape seed oils penetrate quickly and deeply, thus softening and nourishing skin. The cream does not contain any perfume compositions or synthetic dyeing agents.

Apply to face in the evening onto thoroughly cleansed skin.

50 ml
