

Coconut & Vanilla

Body cream-butter "Coconut & Vanilla"

Body cream-butter with a pleasant scent of coconut and vanilla. The combination of active ingredients included in the composition makes skin soft, elastic and hydrated.

Cocoa butter gives shine and smoothness, maintains skin elasticity.

Shea butter and almond oil have a deep hydrating and regenerating effect.

Vitamin B3 restores skin protective barrier.

Use: Apply on well-cleansed body skin and massage until it is completely absorbed.

200 ml
